

BEECHCRAFT® King Air C90GTx
The go-anywhere capability, versatility and quality that VLJs can't match.

Enhanced payload and performance.

The Beechcraft King Air C90GTx features impressive enhancements to both payload and performance, including an increased gross weight that doubles the full-fuel payload compared with its predecessor C90GTi. Composite winglets improve climb rate while further increasing fuel efficiency. These enhancements, combined with a fully integrated Collins Pro Line 21™ avionics system — the same system found in larger jets costing millions more — and the C90GTx's ability to land in places that no very light jet can, make it the one aircraft that can boldly go wherever opportunity awaits.

BEECHCRAFT KING AIR C90GTx GENERAL AIRCRAFT SPECIFICATIONS

PERFORMANCE

Maximum cruise speed	270 kt	500 km/h
Certified ceiling	30,000 ft	9,144 m

RANGE

Max. range	1,311 nm	2,428 km
------------	----------	----------

WEIGHT

Basic operating weight (std. aircraft w/1 pilot, unusable fuel and oil)	7,235 lb	3,282 kg
--	----------	----------

DIMENSIONS

EXTERNAL

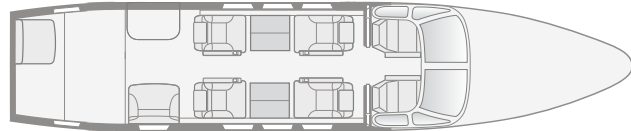

Wingspan	53 ft 8 in	16.35 m
Max. aircraft length	35 ft 6 in	10.82 m
Max. tail height	14 ft 3 in	4.34 m

INTERNAL (CABIN)

Length	12 ft 7 in	3.84 m
Width	4 ft 6 in	1.37 m
Height	4 ft 9 in	1.45 m

ENGINES (2)

Manufacturer	Pratt & Whitney Canada
Model	PT6A-135-A
Output	550 shp/ISA +30° C

COMPARISON CHART

	BEECHCRAFT KING AIR C90GTx	CITATION MUSTANG

SUPERIOR STANDARD AVIONICS SUITE	■	
ABILITY TO CARRY MORE PASSENGERS	■	
MORE INTERNAL BAGGAGE CAPACITY	■	
BELTED LAVATORY	■	
LOWER COST-PER-SEAT MILE	■	
SUPERIOR WARRANTY	■	
MORE SERVICE CENTERS	■	

BUILT AROUND THE NEEDS OF A SINGLE-PILOT OPERATOR. The Beechcraft King Air C90GTx features a fully integrated Collins Pro Line 21 avionics suite. It incorporates the latest equipment, including: WAAS GPS, TCAS, TAWS+, the Collins Integrated Flight Information System (IFIS), turbulence-detecting doppler weather radar – and more.

ACCOMMODATING AS MANY AS SEVEN PASSENGERS. With its famed squared-oval design, the King Air C90GTx interior is nearly 50 percent larger than the closest competitive VLJ. The finely crafted interior, with unmatched shoulder and headroom, is the ideal traveling environment. An ultraquiet cabin ensures a smooth, comfortable flight.
