

BE PART OF OUR TEAM

Helicopter Maintenance Engineer Midrand (Ultimate Heliport)

National Airways Corporation is looking for a suitably licensed rotor wing AME. If you would like to work in a proactive environment within a close-knit team and you meet the following requirements, please reach out to us at the contact details given below.

MINIMUM REQUIREMENTS:

• **Qualified Aircraft Maintenance Engineer with one or more of the following SACAA Licenses in category A & C:**

- Robinson R22/R44
- Bell 206 Jet Ranger (preferable)

PERSONAL ATTRIBUTES:

- Safety conscious.
- Self-disciplined individual who works with precision, accuracy and caution.
- Approach problems of considerable complexity with an impartial and objective attitude.
- Focused on practicalities.
- Pays attention to detail.
- Team player with co-operative and group-orientated instincts but can also work independently.
- Accountable for their actions.
- Must be able to call on the support of the team leader / manager.
- Communicate in a tactful and diplomatic manner.
- Adaptable to new situations.
- Receptiveness and willingness to respond to unexpected circumstances.
- Must be able to work well and productively under pressure.
- Able to work overtime as and when required, sometimes on short notice.
- Able and willing to travel locally or internationally on short notice.
- Able to work in an environment that requires constant cleanliness.
- Valid travel documents (passport, police clearance and yellow fever card)

REQUIREMENTS

- Grade 12 / Matric.
- Valid driver's license
- Minimum **2-4** years work-related experience as a licensed AME.
- Adequate verbal and written English skills.
- Computer literate
- Valid SACAA AME license
- Willing to travel

Only suitable qualified candidates will be considered.
