

BE PART OF OUR TEAM

Aviation Asset Manager

Lanseria International Airport

We are looking for an Aviation Asset Manager to join our team on a permanent basis. Reporting directly to the CEO.

KEY PERFORMANCE AREAS

- **Aircraft and Asset Management:** Oversee the complete lifecycle of all aircraft (fixed-wing and rotor-wing), including acquisition, leasing, maintenance, and disposal.
- **Regulatory Compliance:** Ensure all aircraft meet Civil Aviation Authority (CAA) and international regulations.
- **Maintenance Oversight:** Coordinate with Approved Maintenance Organizations (AMOs) to schedule and supervise maintenance, inspections, and repairs.
- **Cost and Budget Management:** Monitor maintenance costs and ensure work is completed on time and within budget, while meeting safety standards.
- **Reliability Analysis:** Analyse maintenance trends to recommend and implement reliability improvements.
- **Insurance and Claims:** Support negotiations for aviation insurance policies and manage claims.
- **Contract Negotiation:** Negotiate lease agreements and maintenance service level agreements.
- **Performance Monitoring:** Track aircraft utilization, performance, and reliability metrics.
- **Risk Management:** Identify operational risks and implement strategies to mitigate them.
- **Asset Preservation:** Ensure proper asset preservation during storage or downtime.

REQUIREMENTS AND PERSONAL ATTRIBUTES

- **Education:** A bachelor's degree in aviation management, Engineering, Finance, or a related field is required. Equivalent professional experience will also be considered.
- **Experience:** You should have at least 10 years of experience in aircraft asset management, leasing, fleet management, or aviation maintenance.
- **Aviation Knowledge:** A deep understanding of Civil Aviation Authority (CAA) regulations, industry standards, and maintenance requirements is essential.
- **Financial Skills:** You will need proven experience in financial analysis and asset valuation within the aviation sector.
- **Core Competencies:** We are looking for strong analytical and problem-solving skills, excellent negotiation and contract management abilities, and keen attention to detail.
- **Work Ethic:** The ability to work under pressure, manage multiple priorities, and meet tight deadlines is critical.
