

VACANCY

Position : Flight Doctor
Department : Universal Air Evac
Location : Lanseria Airport
Reporting To : General Manager (GM) / Clinical Operations Manager (COM)

Please note that this vacancy is open to Internal and External Applications.

KEY PERFORMANCE AREAS

1. Work closely with the Clinical Operations Manager in maintaining the clinical and operational aspects of the service.
2. Provide oversight (medical and operational), to both external and internal stakeholders, in the delivery of professional and effective air ambulance evacuation services for clients of UAE and to establish and maintain the highest standards of excellence.
3. Involvement in the review of pre-flight medical information supplied by the client(s) and perform the mission's risk assessment and risk mitigation accordingly.
4. Provide medical oversight of current and planned cases with active involvement in clinical and logistical decisions and advice regarding patient care.
5. Clinical case management with escalation of complex or high-risk cases.
6. Available from time to time as a medical point of contact for afterhours escalation.
7. Ensure accurate restocking of pharmaceutical and consumable stock after each mission.
8. Involvement in infection prevention control.
9. Assist with medical flight crew induction, orientation, refresher, and continuous training relating to UAE operations.
10. Contribute to the ongoing quality improvement program within UAE.
11. Perform follow-up calls to receiving doctors/facilities after completed missions with documentation of feedback.
12. Assist with the development and maintenance of medical and clinical standards, policies, procedures, and guidelines.
13. Undertake Air Ambulance and Commercial Medical Escort duties.
14. Compile and maintain the medical staff roster and ensure that this meets the needs of the service.
15. Assist with the medical logistics, equipment, and other resource functioning.
16. Assist with client visits and other marketing where possible.
17. Carry out other responsibilities as requested by the GM and the COM.
18. Assist with development of new UAE Operations where necessary which may require working outside the country for extended periods.
