

2007 BEECHCRAFT KING AIR 350 | SN FL-534 | ZS-FML

2007 BEECHCRAFT KING AIR 350 | SN FL-534 | ZS-FML

DESCRIPTION

2007 Beechcraft King Air 350 is a versatile, high-performance twin-turboprop aircraft renowned for its reliability, range, and operational flexibility. Offering a spacious and comfortable cabin, it provides an ideal balance between performance and passenger comfort.

Powered by proven Pratt & Whitney turboprop engines, the King Air B350 delivers impressive cruise speeds, excellent range, and dependable performance in a wide variety of operating conditions. Its ability to operate from shorter runways, combined with a robust airframe and refined handling, makes it well suited to corporate travel, regional operations, and special-mission roles. A respected member of the King Air family, the B350 remains a trusted choice for operators who value efficiency, comfort, and versatility.
