1972 CESSNA U206F | SN U206-01837 | ZS-TAU

1972 CESSNA U206F | SN U206-01837 | ZS-TAU

DESCRIPTION

The 1972 Cessna U206F is a rugged, high-performance utility aircraft renowned for its versatility and reliability. Powered by a robust Continental engine, it delivers excellent short-field capability and dependable performance in demanding environments.
With its spacious cabin, large cargo door, and flexible seating configuration, the U206F easily adapts to passenger transport, cargo operations, aerial survey, or special-mission roles. Its high-wing design provides outstanding visibility and stable handling, making it ideal for remote and bush operations. Proven over decades of service, the 1972 Cessna U206F remains a trusted workhorse for operators who value durability, practicality, and mission flexibility.
